

SHERWELL VALLEY PRIMARYSCHOOL

VALUE STATEMENTS
- NURSERY & RECEPTION -

RESPONSIBILITY

We listen to and follow the instructions and rules that we are given, to keep ourselves and others safe.

We take care of our things and put them where they belong.

We listen to the adults who help us to know where we are meant to be at different times in the day.

We behave in a way that allows us and our classmates to learn. We listen well and don't distract others who are trying to listen and learn.

We ask for help when we need it.

We do our best to keep our school environment clean and tidy.

We use good manners when speaking to others in school.

We have a responsibility to behave in a way that makes others feel safe and allows them to learn.

We encourage responsibility in others by consistently acting in a responsible way and setting an example for others to learn from.

RESPONSIBILITY

COLLABORATION

RESPECT

ASPIRATION

RESILIENCE

COLLABORATION

We understand that we are all different and that makes us special.

We speak to the people we are working with in a polite and respectful way.

We show people that we are listening to them.

We know that it is important to work well together.

We are welcoming and respectful towards everyone within our school.

We build positive relationships with others by talking to them and asking them questions.

We understand that working together can make things better.

We understand that when we work in groups we may need to take turns.

We work with different people within our class.

ASPIRATION

RESILIENCE

RESPECT

We use good manners when we speak to others.

We stop what we are doing and look at the person who is speaking to us.

We recognise when others are feeling unhappy and try to help them if we can.

We understand that we are all different and that we may not always agree.

We talk to the adults in school when we believe that others are not making the right choices.

We make good choices based on what we know is the 'right thing to do'. When we are unsure, we listen to the adults who help us to know what is right.

We understand that the things that we say and do could affect how others feel.

We understand that some children will believe different things to us.

We let other children learn and enjoy their time at school.

We understand that some children will learn and play in different ways.

RESILIENCE

ASPIRATION

Each day, we aim to do our best.

We challenge ourselves to do new things.

We show our best behaviour in class, on the playground and in the SVPS community.

We always want to be the best that we can be.

We approach our learning positively.

We are always open to trying new things.

We encourage aspiration in others by setting an example for others to learn from.

RESILIENCE

RESILIENCE

We know that lots of things can be difficult and we have to 'keep going' if we want to succeed.

We know that it is OK to make mistakes and accept that getting things wrong is a natural part of learning.

We encourage resilience in others by showing resilience ourselves.
