

## Learning Experience curriculum outline for Year 6.

This experience will start on Monday 8<sup>th</sup> September 2014.

### **The learning taking place**

- Towards the beginning of this experience the children will be visiting Paignton Zoo.
- Following their trip to the zoo, the children will be studying an animal in detail and explaining how it has adapted to its environment, referring to Darwin's theories of evolution.
- The children will be learning map skills, including 6 figure map referencing, as well as acquiring a general awareness of the world's geography.
- They will be looking at the Incan civilisation and comparing their ways of life to the modern day.
- The children will be learning to plan, write and edit their quest stories, as well as working hard to be a good team player.
- The PE foci for this half term are orienteering and hockey.
