

## Business Manager update – Mr Corline

It's been a busy first week back for everyone here at school, as all the children come back in after the break. We have Year 6 children away in France visiting Disneyland Paris and also spending some time visiting the D-Day commemorations – hopefully we'll have some pictures for the newsletter from that trip next week.

The children in Year 6 who haven't gone on to France have been designing golf holes after a day out on Monday playing crazy golf and we also had a Year 2 day trip to Cockington planned for today that unfortunately was postponed because of the weather – they did manage a barbeque this afternoon when the conditions improved so it wasn't a complete washout. With all of that going on it's been a hectic few days and the half term break seems a long way away already!

This is also the time of year when we start to plan in more detail for the start of the new school year in September – over the next few weeks we'll be sending out some information about some changes we'll be making to how children book and pay for school meals and our newly designed website should be ready to go live soon as well.

I'm sure there'll be other things we need to let you know about in the next few weeks – so please keep an eye on your emails and texts to make sure you know what's happening when.

I hope that you all had a lovely half term break.

Mr Corline

**Many thanks. FOSV**

### **Parking at school pick up and drop off times**

Please can parent's make sure they are considerate to local residents when dropping off in the morning and picking up in the evening.

Parking sensibly (and legally) not only maintains our good relationships with the residents but also keeps children safer when they are arriving or leaving school – a lot of the concerns that people pass on to us about parking around school are not only inconvenient but also make it more difficult for children to cross roads safely.

Please do your bit by parking sensibly particularly around the Upper Cockington Lane entrance as this is a very busy road and bus route.

Thank you for your help.
