

SVPS

Excellence in all we do

Our Curriculum

A curriculum for all

Why?

- Children know more and remember more.
- Progression is clear.
- Cultural capital underpins our curriculum allowing ALL children to be successful.

Our CONCEPTS take into account our CONTEXT and allow children to make links.

How?

Our VALUES underpin all that we do. They guide our everyday practice and create a shared language.

They support our personal growth.

Our curriculum is everything we do and all of the experiences /opportunities that we offer all children.

Curriculum design

Core English and Maths

Where elements happen everyday. Learning is layered, built upon and revisited frequently throughout the year.

Weekly Scheme Subjects

Subjects such as PE, RE, Computing, Music, MFL and PSHE.

Enquiry Subjects

Subjects that have more dedicated time in a single week. These subjects are blocked but may only be taught 2 or 3 times a year.

Core Values, Assemblies, Threshold, Clubs, Celebrations, Stories, Trips, Visitors, Residentials, STEM Days. . .

All of this is the extra 'stuff' that will make our curriculum effective and memorable!

Impact.

The children at Sherwell Valley Primary School will embody our school values and be equipped with the knowledge, skills and attitudes they need to thrive and succeed in the ever changing and diverse world beyond our school.
