

Child Friendly Safeguarding Policy

Keeping Us Safe and Happy at School

Our school has a Safeguarding Policy for staff, families and governors.

This 'child friendly' policy is designed for you and this should be read as a guide to the main policy.

What is it for?

To help you decide what could be a 'problem' and where to get help and support.

Is someone bullying you?

You must tell someone at school so we can help you.

Examples of people you can tell are:

If in doubt, **talk to someone**. There are many staff at school for you to talk to and they will help support you.

The four main areas of Child Protection concerns are:

1. **Physical Abuse** - hitting, smacking, shaking, throwing, burning, biting etc
2. **Sexual Abuse** - be aware this doesn't always mean actually touching a child. It could be someone making you watch sexual related content or encouraging you to act in an inappropriate way.
3. **Neglect** - this means things like not providing meals or warmth or clothing. Or perhaps not taking you to the Doctors when you need to go. There may be lots of different reasons why a child is neglected and it is really important that we know so we can help.
4. **Emotional Abuse** - This means when someone upsets you or makes you feel bad. If someone in your family says horrible things to you and makes you feel sad and worthless.

How does your school work to protect children?

There are lots of different ways, but one of the main ways is making sure the staff here at your school know how to keep you safe and also make sure you have someone to talk to if you need to.

Your teachers and Mrs Nelson are here to support young people and their families if there is a Child Protection concern.

Mrs Nelson is our **Safeguarding Lead**

Mr Briant, Mrs Jones, Mrs Gaywood, Mr Robinson and Mrs Sennett are our **Deputy Safeguarding Leads**. They are all here to make sure we are all happy and safe.

We also have a **pastoral team**, these are members of staff that you can have some time talking too.

Safeguarding and Child Protection mean the same thing and they mean that we look after children and keep them safe.

Talk to Someone

What are the next steps?

Sometimes a member of staff at our school will need to check things with your Headteacher and then if they can deal with the issue themselves, they will.

There are times though when they may need to contact some other agencies for support. These may be Children's Social Care (Social Workers) or the Police.

There are lots of other agencies who support children and their families as well.

Your teachers will talk to you and explain all of this and you can always go and ask them questions if you are unsure about anything.

PANTS

Remember - you belong to you!

Talk to an adult, it's important to speak up.

BUDDY

Always remember **BUDDY!**

Being kind

Understanding other people's feelings

Do the best you can

Don't keep sad feelings to yourself

You have the right to be safe and
happy
