English Texts	Beegu			Jolly Postman			Skater Cielo		The Gigantic Turnip				One day on our Blue Planet		How to find gold		

Other Lessons

- ★ English
- ★ Read, Write Inc
- ★ Maths
- ★ PE
- ★ RE
- ★ PSHE
- ★ Music

Trips – Zoo

How you can help at home...

● Home Learning

Reading with your children at home along with supporting them with their times tables and spellings will really help them in school.

Further guidance for this is available in our Home Learning Policy on our school website.

Doodle Expectations – Maths and Spell

Library Day – Wednesday

● Uniform

We ask that all children wear the correct school uniform (and bring the correct PE kit) to school and that this is named. Our policy is on the school website.

Trainers and sports socks are permitted, they must be completely black with no coloured logos.

No jewellery is to be worn to school. Earrings must be studs only. A watch is permitted as long as it has not got the function to connect to the internet or take photos.

PE days

- Wednesday (outdoor)
- Friday (indoor)

● Ensuring the children have what they need

Children need to bring their reading diaries with them to school along with their water bottles. They need their PE kits which can remain in school. Children do not need to bring in additional toys or sensory resources as any child that needs sensory tools will be provided with them during the school day by school staff.

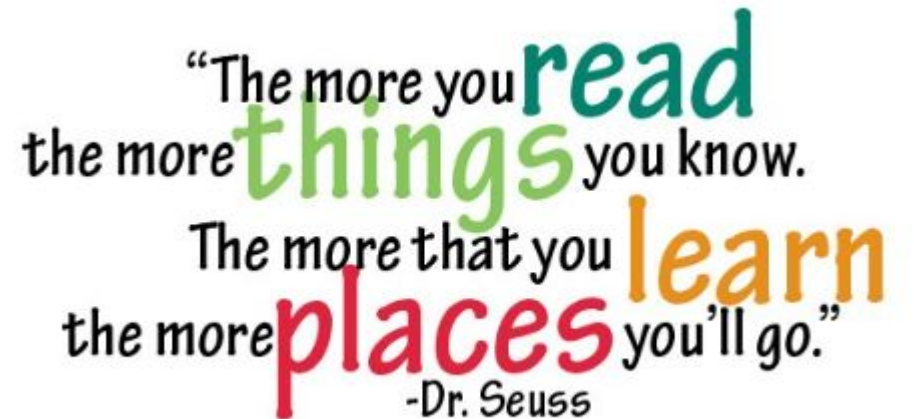

Snacks – Children can have a healthy snack at breaktime. It may be worth discussing this with your child each day as to which is their healthy snack.

Reading

Our curriculum books and class texts are chosen to inspire high quality outcomes and further support the curriculum.

We encourage the children to read as much as possible both at home and school.

In the Early Years and Key Stage 1 we teach children to read through Read, Write Inc. They then progress to reading skills lessons. This is all reinforced through library sessions, class story books and dedicated time to read.

“The more you **read**
the more **things** you know.
The more that you **learn**
the more **places** you’ll go.”
-Dr. Seuss

After School Club information

Communication

You can contact us on ClassDojo. We will respond within 48 hours. You can also contact the school office.

There is a whole school newsletter at the end of each half term (and one at the start of the academic year) with dates and information, this includes the children's celebrations both in and out of school.

Our Start to the Year

We are really proud of our learning and the recording of our work.

Please have a look at the start we have made in our English books.

Questions & Discussion
